The Policy aims to progressively build capacity and capabilities of Wellington Shire Council in the identification, and elimination of systemic causes of gender inequality in policy, programs, communications, and delivery of services in relation to community sports infrastructure. Victoria's mandatory Child Safe Standards (the Standards) have been in effect since 2016. Following a Royal Commission, the Victorian Government reviewed the Standards. The review found strong support for the Standards and recommended a number of changes to better align the Standards with the National Principles for Child Safe Organisations, and to strengthen administration of the Standards. In line with these recommendations, the new Standards were released by the Victorian Government in 2021. They consist of 11 updated Standards and apply from 1 July 2022.
