OFFICER:

COUNCILLOR MALCOLM HOLE

DATE:

19 NOVEMBER 2019

---

I, Councillor Malcolm Hole, hereby give notice of my intention to move the following motion at the Ordinary Meeting of Council on 19 November 2019.

**In relation to the State Government’s recent announcement that native timber harvesting will be phased out by 2030, with an immediate end to old growth logging, that:**

- 1. the Mayor write to the Premier of Victoria, expressing this Council’s profound disappointment with this surprise decision. It is particularly vexing that mill operators, Councils, the directly affected communities and other key industry stakeholders were given no opportunity for input or comment into a critical decision that was taken unilaterally and in an apparent shroud of government secrecy. This decision is at odds with the Government’s publicly stated aim of establishing community engagement platforms like Regional Partnerships to recognise that “... local communities are in the best position to understand the challenges and opportunities faced by their region”.**

**Further, that Council seeks specific comments from the Premier regarding:**

- a. In the interests of transparency, the Government must make public the scientific and peer reviewed evidence that it used on which to base its decision and conclude that existing forestry practices are unsustainable;**
- b. The impact this decision will have on regional employment. By way of example, Australian Sustainable Hardwoods in Heyfield employs 170 local Gippsland workers, around 114 of these in their rapidly growing advanced manufacturing as the domestic demand for quality hardwood continues to grow. Ironically, the Government owns 49% of this business that also supports approximately 10,000 downstream jobs located throughout Victoria. What assurance and evidence can the Government provide that all these jobs will be secured?**

**While the Government has moved to retain employment security at Australian Paper in the Latrobe Valley, there seems scant regard for the hundreds of timber workers who will be impacted elsewhere. The announcement of \$120m to assist two ‘Community Transition Leaders’ work with affected workers, communities and businesses comes with no detail and no strategy other than a vague assurance that the Government will ‘help us work through this’. Will the Government guarantee that there will be no net job losses in these communities as a result of this decision?**

**There are no details for any support packages, which we understand will not become available until 2024. Why won’t they be made available immediately?**

- c. Council has already heard many bushfire experts advising that with these announced changes to forestry practices, the potential for bushfire emergency will become catastrophic. Specifically, the decision will lead to large capacity machines like bulldozers, excavators and graders being removed from fire prone forests, including the local knowledge of the machine operators, that are invaluable in the event of a large-scale fire.**

Further, existing access roads will be closed or fall into disrepair, with many of these roads normally being used as a 'Plan B' or secondary route in the event of a large-scale fire. What is the Government's plan to fund the upkeep of these roads, and who will fill the gap left by Forest Fire Management Victoria after their departure?

In short, what specific plans does the Government have to ensure our local communities are not subjected to increased risk?

2. the Mayor send a copy of the motion to the Premier, to:

- a. The Gippsland Local Government Network Councils, seeking their support in a combined position;
- b. The Municipal Association of Victoria, Timber Towns Victoria, The National Timber Councils Association, The Victorian Association of Forest Industries, Australian Forest Products Association, local Federal Member Darren Chester, Federal Minister for Agriculture the Hon Bridget McKenzie, all Victorian upper and lower house Members representing Gippsland, and the owners of all timber mills and timber processing businesses in eastern Victoria.

**OBJECTIVE**

The purpose of this report is for Council to consider a petition presented at the Ordinary Council meeting of 18 October 2019 raising concerns with the leaf drop and powerline clearance requirements of existing English Oak (*Quercus Robur*) trees in Desailly Street, Sale and the request to remove these trees.

**PUBLIC QUESTIONS AND COMMENTS FROM THE GALLERY****RECOMMENDATION**

***That, in response to the petition presented at the Ordinary Council meeting of 18 October 2019, Council;***

- 1. Decline the request to remove trees in Desailly Street, Sale;***
- 2. Authorise the Chief Executive Officer to write to the head petitioner to advise them of Council's decision, and to provide information regarding Council's Autumn street sweeping schedule which would allow residents to rake leaves into the gutters for collection at scheduled times;***
- 3. Authorise the Chief Executive Officer to also inform the head petitioner that the long-term health and amenity of the trees will be maintained and improved through the future bundling of the low voltage powerlines along Desailly Street in line with the established Aerial Bundle Cabling program.***

**BACKGROUND**

The urban forest is a major contributor to the liveability of a town and provides a combination of social, economic and environmental benefits. Trees beautify, define and soften streetscapes, provide shading, cooling and habitat for wildlife and create neighbourhoods where people want to live. Street trees and the introduction of green infrastructure in the urban landscape influences the character and amenity at both individual street level and the greater town level.

Council manage over 50,000 street trees and have developed a proactive maintenance regime, which includes regular inspections, powerline clearance, and pruning as required.

Desailly Street, from Macarthur Street to Raglan Street are lined with exotic species that are long lived, well established, and are suitable for the size of the road reserve.

The petitioners raised concerns around the amount of leaf litter that they clean up and dispose of, as well as the concern that some trees are starting to impact the clearance zones of the overhead electrical lines.

The trees in question are proactively managed through regular inspections and an established works program.

This streetscape can be described as a mature avenue and has to this date proven to be resilient to prevailing climatic conditions. They add diversity to the existing urban forest and play an important role in the amenity of the Desailly Street, and Sale at a broader level.

Recent assessment of the value of the trees in the street using the industry accepted Burnley Valuation Method estimates the worth of the trees to be approximately \$380,000.

The long-term health and amenity of the trees will be maintained and improved through the future bundling of the low voltage powerlines along Desailly Street in line with the established Aerial Bundle Cabling program. Timing of any works will be in accordance with the prioritised works program and available budgets.

## **OPTIONS**

Council have the following options:

1. Note the petition and do nothing further at this point in time; or
2. Remove the trees and replant with smaller species; or
3. Not remove the trees and advise the residents of the timing of the Autumn street sweeping schedule which would allow residents to rake leaves into the gutters for collection at scheduled times in addition to information regarding Council's Aerial Bundling Cabling program.

## **PROPOSAL**

That Council;

1. Decline the request to remove trees in Desailly Street, Sale;
2. Authorise the Chief Executive Officer to write to the head petitioner to advise them of Council's decision, and to provide information regarding Council's Autumn street sweeping schedule which would allow residents to rake leaves into the gutters for collection at scheduled times;
3. Authorise the Chief Executive Officer to also inform the head petitioner that the long-term health and amenity of the trees will be maintained and improved through the future bundling of the low voltage powerlines along Desailly Street in line with the established Aerial Bundle Cabling program.

## **CONFLICT OF INTEREST**

No staff and/or contractors involved in the compilation of this report have declared a Conflict of Interest.

## **FINANCIAL IMPACT**

Option 1 – no cost

Option 2 – will require expenditure in the order of \$55,000

Option 3 – no additional cost

## **COUNCIL PLAN IMPACT**

The report recommendation aligns with Council Plan 2017-21 Theme 2 Services and Infrastructure, which states the following strategic objective and related strategies:

### Strategic Objective

*“2.2 Council assets are responsibly, socially, economically and sustainably managed.”*

*“2.2.2 Ensure that community facilities within the municipality continue to meet the expectations and service needs of all current and future residents.”*

### Strategic Objective

*“3.3 Build resilience in our communities and landscapes to mitigate risks from a changing climate.”*

*“3.3.1 Design and maintain landscapes and infrastructure appropriate for a changing climate.”*

## **CONSULTATION**

There has been no public consultation to date relating to this petition.

## **RISK MANAGEMENT**

Trees are pro-actively managed with annual inspections and line clearance works as required that mitigate any associated risk.

**OBJECTIVE**

To present Council with a petition in relation to a request for an off-road bike path from Sale to Maffra.

**PUBLIC QUESTIONS AND COMMENTS FROM THE GALLERY****RECOMMENDATION**

***That Council receive the attached petition in relation to a request for an off-road bike path from Sale to Maffra.***

**BACKGROUND**

A letter and petition containing 2,048 signatures has been received by Council.

A copy of the letter and petition is provided in Attachment 1 and full petition including signatures at Attachment 2.

**LEGISLATIVE IMPACT**

Section L6.59 of Wellington Shire Council Processes of Municipal Government (Meetings and Common Seal) Local Law No 1 provides for petitions and joint letters:

“A petition or joint letter presented to the Council must lay on the table for a period determined by the Council but not exceeding the next two Council Meetings. No motion, other than to receive the petition or joint letter may be accepted by the Chairperson, unless the Council unanimously agrees to deal with it earlier.”

## Petition for an off-road bike track from Sale to Maffra

Mr. Chris Hastie,  
 General Manager for Built and Natural Environment,  
 Dear Chris,

Please receive this petition to Wellington Shire and Danny O'Brien MP, for Wellington Shire to advocate for funding to investigate and plan for an off-road cycling path to connect Sale to Maffra and hence to the rail trail.

I am keen to see this done as I enjoy cycling safely with my grandchildren on the wonderful but limited tracks around Sale. My work at the hospital as the on call anaesthetist involved a number of cyclists with serious and sometimes fatal injuries from accidents with cars. The saving of the cost of one permanent disability would equal the cost of the track. Also the stress on all staff involved in the care of serious and fatal injuries is considerable.

The enthusiastic and positive response of over 90% of people we approached for the petition was overwhelming. Many took a sheet to collect more signatures. Many said that this should have been done years ago, and 5 people said that they had tried for this in the past.

I present 2048 signatures, and the following is the breakdown:

Wellington Shire	1775
Gippsland	141
Victoria	97
Australia	34
Overseas	1

## Petition for an off-road bike track from Sale to Maffra

### Benefits to the Community of the Off-road cycling track

Safety . Cyclists and cars don't mix well on our roads. The new side barriers on the Sale Maffra road limit space for cyclists, and many consider it more dangerous and feel very exposed.

Health and fitness, especially considering the obesity epidemic in Gippsland

Regional socialisation. The track will bring our communities closer together as many people will ride between the towns.

Activity for children, adolescents and families.

Commute to work rather than drive, reducing the traffic on the roads.

Increase business for our bicycle stores

Decrease our Carbon footprint

Tourism will increase , with more visitors from other areas including over-seas. This will increase patronage of cafes and restaurants, and accommodation. Tourism companies will develop as in Europe to look after cyclists hire ,luggage and food and accommodation.

With the development of other tracks (South Gippsland, and Stratford to Bairnsdale), the tourism opportunities will expand further.

Yours sincerely,

Norbert Fuessel

ACTION OFFICER:

GENERAL MANAGER BUILT AND NATURAL ENVIRONMENT

DATE:

---

At the 6 November 2019 Council Meeting, Councillor Maher asked the following Question on Notice:

**COUNCILLOR MAHER**

***There are currently signs warning of footpath hazards around the Alberton township. Can the CEO inform the Council about whether there are proposed works to be undertaken to address the footpath hazards, what is the proposed timeline to complete these works and have Alberton residents been notified?***

The following information is supplied in response:

Defect inspections for footpaths are undertaken routinely in line with Council's Road Management Plan requirements. During previous inspections, a number of footpath defects were identified along the shared path in the Alberton township. As a result, yellow hazard signs have been installed at key locations to assist in highlighting the defects, alerting the public to the hazards and indicating that renewal works are programmed for the path.

Council awarded contract 2020-004 Footpath Renewal Works at its ordinary meeting of 6 November 2019. Works under this contract include renewal of the Alberton shared path, from Thomson Street to north of Rankin Street. On site works are programmed to occur between December 2019 and February 2020. Hazard signage related to path defects will be removed once path renewal works have been undertaken.

Residents abutting this path will be notified when specific on-site construction timing has been determined prior to the commencement of works.

**OBJECTIVE**

For Council to receive and note the October 2019 Council Performance Report.

**PUBLIC QUESTIONS AND COMMENTS FROM THE GALLERY****RECOMMENDATION**

*That Council receive and note the October 2019 Council Performance Report as attached.*

**BACKGROUND**

The October 2019 Council Performance Report comprises key highlights towards achievement of the 2017-21 Council Plan together with an overview of Council finances including an Income Statement with commentary regarding any major variances, information on cash balances, the level of rates outstanding and a progress update on Council's Capital Works program.

**OPTIONS**

Following consideration of the attached October 2019 Performance Report, Council can resolve to either:

1. Receive and note the October 2019 Council Performance Report; or
2. Not receive and note the October 2019 Council Performance Report and seek further information for consideration at a later Council meeting.

**PROPOSAL**

That Council receive and note the attached October 2019 Council Performance Report.

**CONFLICT OF INTEREST**

No staff and/or contractors involved in the compilation of this report have declared a Conflict of Interest.

## **FINANCIAL IMPACT**

Provision of a monthly financial report to the community facilitates accountability and transparency and ensures that Council and management are able to make informed decisions in a timely manner.

## **COMMUNICATION IMPACT**

The Council Plan communicates Council's strategic direction to the community. The Council Plan can also be used by Council to communicate its vision and direction to other tiers of government, organisations, government agencies and funding bodies.

## **LEGISLATIVE IMPACT**

There is no legislative requirement for provision of a monthly Council Performance report however, Council has determined that in the interests of accountability and transparency, this report will be provided to the community.

## **COUNCIL POLICY IMPACT**

The October 2019 Council Performance Report has been prepared in the context of existing Council policies.

## **COUNCIL PLAN IMPACT**

Strategic Objective 6.3 states that Council will:

*"Maintain a well governed, transparent, high performing, ethical and accountable organisation"*

Strategy 6.3.3 states that Council will:

*"Ensure sound governance processes that result in responsive, ethical, transparent and accountable decision making"*

Strategy 6.2.2 states that Council will:

*"Actively engage with both internal and external stakeholders to appropriately inform about council business"*

# OCTOBER 2019 PERFORMANCE REPORT

## OCTOBER 2019 COUNCIL PLAN HIGHLIGHTS

### ***Drought Support Initiative***

As of 30 October 2019, 635 debit cards had been distributed as part of the Drought Support Initiative.

Council staff have consulted with the Agricultural Industry Reference Group (AIRG) to discuss the Victorian Government funding announcement.

### ***Yarram Aerodrome***

Works for fuel installation at Yarram Aerodrome have commenced. Provision of fuel will improve capability and safety.

New leases executed for Yarram Aerodrome. The new leases have now exhausted current supply of hangar sites which is a positive achievement for Yarram Aerodrome and one that will contribute additional income to offset its operating deficit.

### ***Amendment C109***

On 24 October 2019, the Minister for Planning approved Amendment C103, which rezones a strategically significant area of land adjacent to the West Sale Airport for future industrial development.

### ***Art Gallery***

Another busy and varied month at the Gallery saw two new exhibitions opening; a school holiday program for the Gallery Geckos; a First Friday artist talk; Children's Week (21-25 October 2019) (which we celebrated by participating in the international 'The Big Draw Festival' with drawing on Level 2 of the Port of Sale); and entries for the 2020 John Leslie Art Prize \$20,000 award for landscape painting have opened.

### ***Heyfield Town Tree Plan***

The Heyfield Town Tree Plan community engagement process is underway, which included letters sent out to residents in Heyfield. Documentation is available on the Wellington Shire Council website.

### ***Rosedale Cenotaph***

The Rosedale Cenotaph has been relocated to the Prince Street Reserve in accordance with community feedback. The relocation follows the completion of the \$2.09 million Rosedale roundabout upgrade project which has improved safety at the intersection of the Princes Highway and Lyons Street.

### ***Outdoor Fitness Equipment Project***

The Loch Sport Outdoor Fitness Equipment Project funding agreement been finalised, and community consultation has now commenced.

### ***Loch Sport township signage***

The first phase of the Loch Sport township signage review project has been completed, with further signage review to be undertaken over the coming months.

### ***Heyfield Youth Precinct***

Heyfield Youth Precinct / Skate Park Project – A community meeting was held during October. A range of feedback was received which will be considered as concept is refined.

### ***Special Charge Scheme for Coongulla***

Preliminary Special Charge Scheme presentations are planned during November for proposed street schemes in Coongulla / Coopers Crescent, Maffra and Princess Street, Maffra. Letters have been sent to affected property owners to advise of the meeting times.

### ***Blackspot Funding***

Blackspot Funding applications for Tinamba - Newry Road, Gormandale - Stradbroke Road, and Ryans Road have been submitted for the Federal Governments 2020-21 Black Spot Funding Program.

### ***Busy month for Indigenous Engagement Officer***

Indigenous Engagement Officer, Angela Chittem, has had a busy first month culminating in a visit by the Deadly Elders group from the Morwell Gathering Place; she also attended the Victorian Aboriginal Education Association conference in Melbourne which was focussed on social equality outcomes in regional communities. Angela was a guest on the ABC Gippsland Breakfast Show and is achieving recognition for her work through local media. She also attended the Sisters Day Out function for socially disadvantaged people in Latrobe Valley and the Australia Council for the Arts National Summit consultation day at Gliwice, as well as attending meetings with many individual artists and art groups throughout the region.

### ***Drought Drop-in session***

A Drought Drop-in session was hosted by the Stratford Library in partnership with Agriculture Victoria. This provided an opportunity for farmers to talk, seek advice and assistance with ongoing drought issues in an informal and welcoming environment.

### ***Book Launches***

Local authors featured in two book launches in October attracting new visitors, stimulating creativity in the community and leading to new members for the library. Maffra hosted Janelle A. Hesz with her children's book "Tink and the magic brick wall" with over 100 people attending. Rebecca MacGregor, author of "No more kisses" launched her book at the Port of Sale and was guest author at special story times in all branches during October with 38 children and 35 adults attended.

### ***Children sessions***

Storytime and Rock Rhythm and Rhyme weekly sessions continue to be popular with approximately 500 children and 340 adults attending in October.

### ***Crafternoon***

Crafternoon sessions held monthly were well attended at all branches with over 90 participating and the Knitters Lounge continues to be popular at Port of Sale. Both activities showcase the broad range of skills and creativity in our community in an open sharing and welcoming environment.

### ***Updates from The Wedge***

Lady Beatle performed on 10 October 2019, heralded by many attendees as the best show they have ever seen at the Wedge. Preparations continued this month for The Esso Night Under the Stars which is being held at the Sale Botanic Gardens on 2 November 2019 with 3,500 people expected to attend.

### ***Additional lifeguards***

October brought increased outdoor pools pre-season activity in preparation for the summer season. Additional lifeguards have been recruited and the induction program is now underway.

### ***12 Week Fitness Challenge***

The 12 Week Fitness Challenge continues with all but three of the original participants still actively involved (51 of 54).

### ***Highest swim school enrolments***

Swim school enrolments have reached 883 - the best ever! Current Aqua Energy memberships are at 1,173.

### **Popular GRSC**

Social sports program at Gippsland Regional Sports Complex is well subscribed with excellent activity levels (indoors) and no free-court availability for after school timeslots, Monday through Thursday.

### **Community Managed Facilities Strategy**

Successful workshop with Council for the Community Managed Facilities Strategy saw all initiatives and actions endorsed in principle, with two final actions (operating subsidy review and user fees benchmarking) to be unpacked in more detail in November.

Strategy Focus groups were very successful, with Committee members showing strong engagement and support for the ideas proposed through the Strategy.

### **Networking meeting on Community Committees**

Excellent networking meeting with representatives from DELWP and East Gippsland Shire Council to discuss synergies between the approaches of all three organisations and spaces for sharing of information, processes and thinking.

### **Capital Project Progress**

- Cameron Stadium: Construction is underway. Concrete slabs for new changerooms and courts to be poured over next week. Site meetings fortnightly.
- Briagolong Recreation Reserve: Works completed. Official Opening scheduled for Monday 18 November 2019.
- Sale Memorial Hall: Redevelopment of stage side bathrooms, painting of the main hall and foyer, changeroom refurbishment and acoustic installation has been completed. Works to front amenities have been programmed with Committee and building contractor for December 2019 to end February 2020. Funding agreement variation has been approved by Latrobe Valley Authority to align with the amended project schedule.
- Sale Tennis: Council is currently working with the court construction contractor to confirm the schedule for works to continue on-site. Once this has been established, preparation for stage two civil works (seven courts) can commence. Fencing and lighting for Stage 2 works are largely complete.
- Stratford Recreation Reserve: Updated cost estimate received, and tender documentation has been finalised. Awaiting approval to commence tender advertisement.
- Stephenson Park: Awaiting approval to recommence detailed design documentation.
- Pine Lodge Tennis: Contract awarded with works anticipated to commence in November. Site prep works on trees commenced.

### **Community Grants**

37 Community Assistance Grants awarded in October totalling \$165,634 in funding. Eight Quick Response Grants awarded in October totalling \$5,599 in funding.

### **Community Facilities Strategic Planning**

- Sporting Infrastructure Plan consultant contract awarded.
- Community Infrastructure Plan consultant brief advertised.
- Project Prioritisation Model undergoing testing.

### **Farewell celebration for CPGs**

A farewell celebration was held for Community Planning Groups (CPGs) on 25 October 2019. 22 people, representing six CPGs, enjoyed the day and the Mayor presented each group with a Certificate of Appreciation.

### **'Light it up Red' Campaign**

A local 13 year old boy approached Council for help in supporting the 'Light it up Red' campaign which is an annual event to raise awareness for dyslexia. The Wedge was lit up red on 30 October 2019 and Youth Councillors supported the boy to highlight the event with radio interviews and photo opportunities.

### ***NDIS funding***

Funding applications have been completed and lodged for NDIS funding through the Information, Linkages and Capacity Building program. Three programs have been applied for totalling almost \$800,000 over three years.

### ***This Girl Can program***

Funding has been applied for the This Girl Can program from Vic Health totalling \$15,000.

### ***Road Safety Grant***

TAC Road Safety Grant has been lodged for a trial program of education and practice for secondary school students, total grant is \$29,000.

### ***Deaf Foundation***

An application for a small grant from the Deaf Foundation has been lodged to trial hearing loop technology for Council's community facilities.

### ***Acknowledging Emergency Management staff***

Commemorative pins and thank you letters were issued by Emergency Management Victoria to all staff involved in the 2018-19 summer fires in appreciation of their efforts.

### ***Regional Emergency Management Team pre-season briefing***

Coordinator Emergency Management presented to the Regional Emergency Management Team pre-season briefing explaining what Wellington Shire can do to support fire efforts and the sort of information councils require to support their communities. The invitation to attend and speak is an indication of the increasing recognition of the important role councils play in emergency management.

### ***EMLO training***

Emergency Management Liaison Officer (EMLO) training was arranged in preparation for this fire season. Other staff interested in taking on emergency management roles during the fire season have been added to the list of people available for this season.

### ***Recovery event officers***

To further support the community recovery from last summer, two recovery event officers for Dargo and Rosedale have been recruited.

### ***Understanding Disaster Risk***

Coordinator Emergency Management attended an Australian Institute of Disaster Resilience Risk Forum in "Understanding Disaster Risk" forum in Melbourne. This forum discussed the current state of Victorian risk priorities and doctrine and how it applies across all emergency management stakeholders.

### ***DHHS interest on our brochure***

A brochure explaining how to disconnect their downpipes from water tanks to avoid contamination during bushfires was produced and is being distributed. Department of Health and Human Services (DHHS) have expressed an interest in incorporating it into their information.

### ***Crisisworks***

The new Crisisworks Fire Prevention module will be used for fire inspections for the first time this year. This will streamline the process and make inspections and follow up actions more efficient.

### ***Projects under FARSS***

Two roads funded under the joint CFA/council Fire Access Road Subsidy Scheme (FARSS) were completed. These will provide improved access to areas around Golden Beach and Port Albert.

\* The forecast figures reflect any known changes that have arisen since the adoption of the original budget. Including these changes in an forecast budget sense enables Council to more accurately monitor financial performance during the year and predict the end of year position.

**A summary of major operating variances that have occurred to date include:**

**Operating Income**

- **\$0.41 million** Additional supplementary rates struck since 2019/20 budget adoption.
- **\$0.23 million** Income received from registrations and other permits has been higher than anticipated. User fees raised from Council leisure facilities and "The Wedge" were higher than expected but partly reduced by lower Gippsland Regional Livestock Exchange income. Waste management services income was slightly greater than budgeted due to increased volume of waste processed through landfills.
- **(\$1.94 million)** Operating grant variance primarily relates to the receipt of 50% of the budgeted first instalment of Victoria Grant Commission allocation for 19/20 of \$7.4 million in the prior year.
- **(\$0.17 million)** Investment interest income was lower due to reducing interest rates (\$130k).

## Operating Expenditure

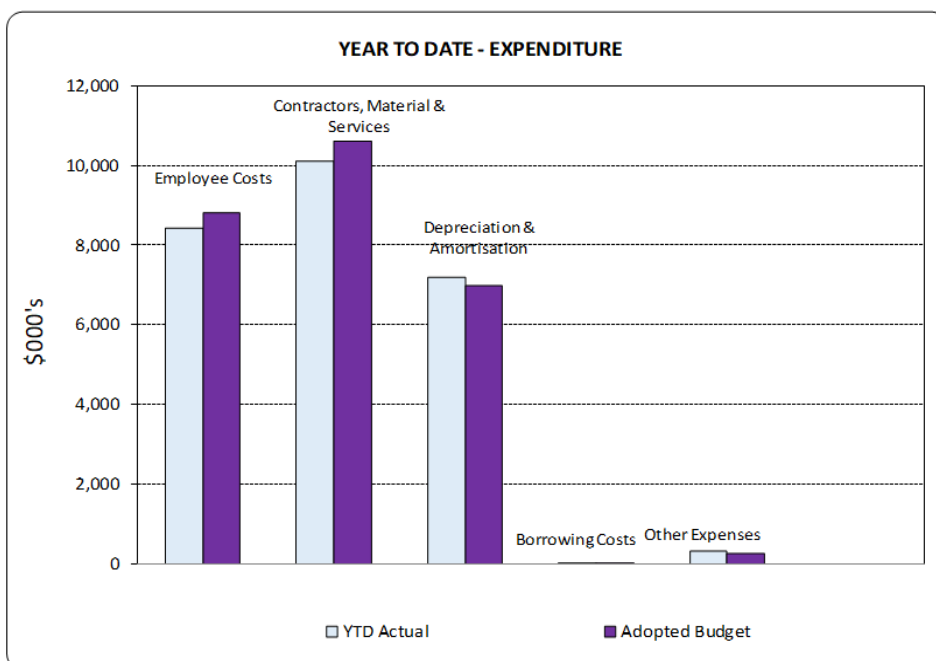

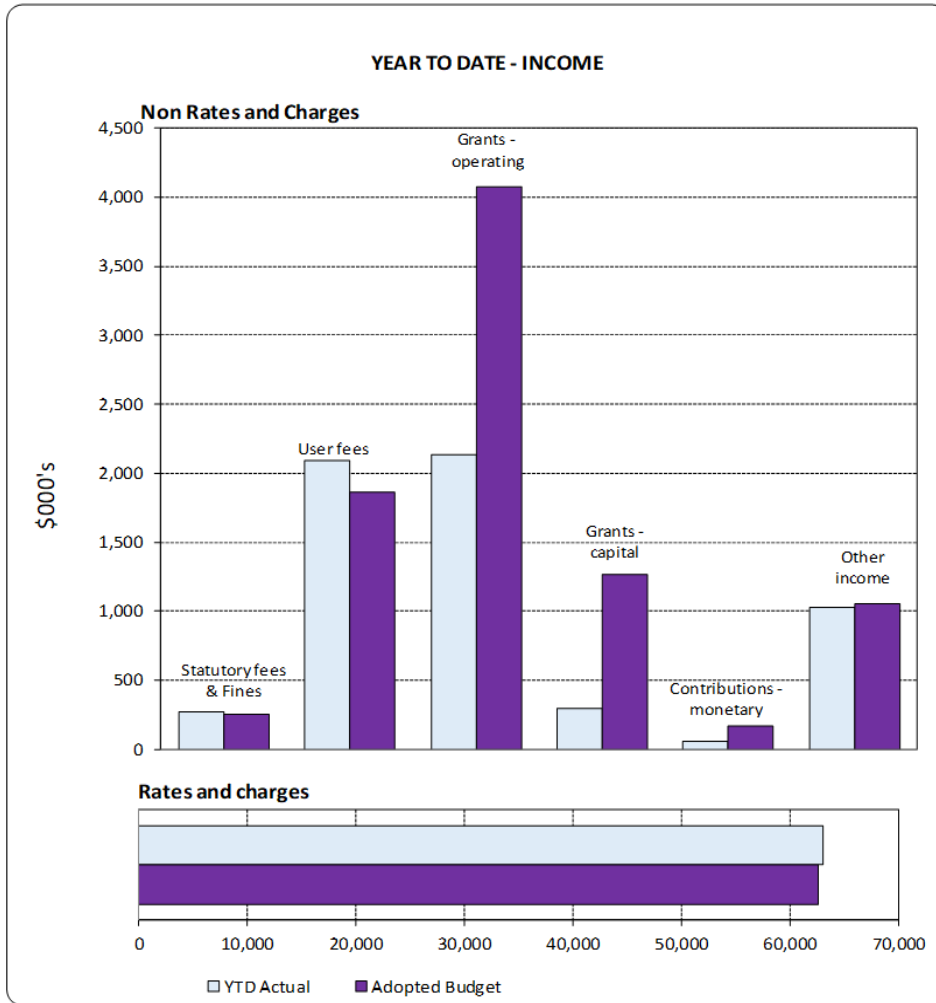

- **\$0.39 million** Employee benefits are lower than budgeted mainly due to \$304k savings in 2019/20 workcover premium expenses.
- **\$0.52 million** Contractors, materials and services variance includes:
  - a. **\$455k** - Contributions towards health services are yet to be processed due to delays in the health service provision of six monthly required reporting.
  - b. **\$321k** - Expenditure associated with software maintenance for major IT corporate systems.
  - c. **(\$208k)** - Tree maintenance, parks and reserves and urban coastal vegetation management works are progressing well ahead of schedule.

**A summary of major capital variances that have occurred to date include:**

## Capital Income

- **(\$0.97 million)** Delays in the commencement of a number of community facilities project such as Pine Lodge - Tennis Court Resurface (\$0.2M) and Briagolong Recreation Reserve - Pavilion (\$0.3M) has impacted on the timing of expected grant funding. Budgeted funding of \$0.8M for upgrades will either be paid directly to the hall committees (\$0.4M) or removed due to unsuccessful application (\$0.4M). This is offset by the receipt of \$0.3M funds for the E-Waste Sheds final claim.
- **\$0.39 million** Donations and asset contributions (non monetary) as associated with new subdivisions have been recognised.

The rate debtors outstanding at the end of October 2019 were \$43.2 million (61.9%) compared to October 2018 of \$40.2 million (59.0%).

The second rate instalment is due 30 November 2019.

Council cash holdings at the end of October 2019 are \$107.9 million and higher than October 2018 of \$85.0 million due to advance funds and lower than expected expenditure.

The current cash holdings includes restricted funds of \$11.5 million to cover reserves, \$31.0 million to cover provisions and trusts, and approximately \$23.0 million associated with the operating and capital carried forwards.

The balance is generally working capital for ongoing operations.

*Restricted cash is money that is reserved for specific purposes and therefore not available for general business use.*

**ITEM C1.3****WELLINGTON SHIRE COUNCIL SUBMISSION TO THE VICTORIAN LOCAL GOVERNMENT RATING SYSTEM REVIEW**

DIVISION: CHIEF EXECUTIVE OFFICE  
 ACTION OFFICER: CHIEF EXECUTIVE OFFICER  
 DATE: 19 NOVEMBER 2019

IMPACTS									
Financial	Communication	Legislative	Council Policy	Council Plan	Resources & Staff	Community	Environmental	Consultation	Risk Management

**OBJECTIVE**

To note Wellington Shire Council's submission, as attached, in response to the Victorian Local Government Rating System Review.

**RECOMMENDATION**

*That Council note Wellington Shire Council's submission to the Victoria Local Government Rating System Review panel.*

**BACKGROUND**

The Minister for Local Government has appointed a panel to lead the Victorian Local Government Rating System Review in order to identify changes that will improve its fairness and equity. With the exception of the Fair Go Rates system, which was introduced in 2015, the structure of the rating system has not substantially changed in over a century and the Victorian Government wants to ensure that the burden of rates falls fairly across all ratepayers.

The review will conclude in March 2020 when the Panel provides their recommendations to the Minister.

Wellington Shire Council's full submission to the Victorian Local Government Rating System Review panel has been included at Attachment 1 and was sent prior to this Council meeting in order to meet the submission deadline.

**OPTIONS**

The following option is available to Council:

1. Note Wellington Shire Council's submission to the Victorian Local Government Rating System Review panel.
2. Not note Wellington Shire Council's submission to the Victorian Local Government Rating System Review panel.

## **PROPOSAL**

That Council note Wellington Shire Council's submission to the Victoria Local Government Rating System Review panel.

## **CONFLICT OF INTEREST**

No Staff and/or Contractors involved in the compilation of this Report have declared a Conflict of Interest.

## **FINANCIAL**

There is no financial impact for Wellington Shire Council however the outcomes of the rating system review will have financial implications for our ratepayers although the exact impact is unknown at this stage.

## **LEGISLATIVE**

This submission was prepared and undertaken in accordance with the *Local Government Act 1989*.

## **COUNCIL PLAN**

The Council Plan 2017-21 Theme 6 Organisational states the following strategic objective and related strategy:

### Strategic Objective

*'Act and lobby on behalf of the priorities of the community.'*

### Strategy 6.4.2

*'Advocate on the community's behalf to state and federal agencies, the private sector and industry on a range of issues relevant to Wellington Shire community.'*

This report supports the above Council Plan strategic objective and strategy.

## **COMMUNITY**

The outcomes of the Victorian Local Government Rating System Review will impact positively on the community as we advocate on their behalf to identify current shortcomings for an improved and balanced rating system. The results of the review will provide further scope for investigation and direction toward fairer and more equitable rates generation and to provide a greater focus on community outcomes moving forward.

## Wellington Shire Council Submission to the Victorian Local Government Rating System Review

### Overview

Wellington Shire Council (WSC) thanks the Panel reviewing the Victorian Local Government Rating System for the opportunity to make a submission.

WSC is classified as a large regional council and faces many challenges resulting from its geography, which extends from the ocean to the mountains. These challenges include a history of regular natural disaster events, exposure to the impacts of climate change and sea level rise/inundation and the need to provide appropriate infrastructure and services for a number of townships that experience significant population increases during holiday periods.

The Wellington Shire also has many disparate communities and given its vast geographical area, delivery of services is duplicated across towns. Connectivity is also an ongoing challenge with NBN having to be supplemented by the establishment and ongoing maintenance of microwave towers to ensure connectivity to customer service units, libraries and caravan parks in remote areas. This is an ongoing cost and challenge not felt by metropolitan or interface councils.

Infrastructure maintenance and renewal requirements are especially challenging, given factors such as those mentioned above and the extensive network of roads, bridges, drainage, walking/cycling paths, etc. that must be managed.

Council is mindful of the need to service the whole municipality regardless of the spread of population and this challenge becomes even greater given difficult economic conditions, drought, an ageing population and the confines of rate capping.

WSC supports this review and also endorses all comments made in the submissions of Rural Councils Victoria (RCV) and the Municipal Association of Victoria (MAV). WSC also looks forward to the pending review of rate capping as we believe this will also be integral to improving the Victorian Local Government rating system's fairness and equity.

We have also detailed below some key items that we believe the panel should consider as part of their review of the Victorian Local Government Rating System.

### Key Items for Review

1. WSC prefers the use of property valuations as a driver for rates calculations as it represents a fair measure and is a common and well understood practice. On that basis, the use of Capital Improved Value (CIV) is a common, transparent and sensible method for property taxation. It leads to the distribution of the rates burden based on asset ownership and when applied in conjunction with Rating Differentials it provides for a more equitable distribution of rates.

2. WSC does not believe that true rating fairness and equity across Victorian Councils can be achieved via changes in the rating system alone; the Rate Capping requirements also need to be reviewed to ensure fiscal equity between metropolitan and rural and regional councils. It must also be noted that Rural and Regional Councils could have their Rate Capping legislative obligations removed and still not achieve fiscal equity with their metropolitan counterparts as rural and regional Councils do not collect substantial parking fees and other charges. It is also our contention that rate capping is not an effective tool in managing individual community expectations in terms of service needs versus capacity to pay. Therefore, the review of the rating system needs to ensure that the impacts of rate capping are also measured.
3. Restricting the scope of the review to exclude the relationship and impact of state government taxation systems on local government rates is limiting and an opportunity missed. As the MAV pointed out in its submission (MAV Submission to the Victorian Local Government Rating System Review, Section 4.3) State property tax revenue has increase by 33% since 2015/16, whereas local government rates have increased by 9% in the same period.

The evidence demonstrates that the state government continues to 'muscle in' in property taxes in Victoria, while suggesting at the same time that local government rates are problematic.

4. We also contend, as do other Councils, that the following exempt commercial activities, fees for service providers, private sector competing activities, or defined categories of exemption should be revoked and made rateable so additional income from rating these property categories, could be applied to reduce the rate burden on other ratepayers ;
  - Solar/Wind Farms and Electricity Generators
  - Universities and Private Schools
  - Religious Property Holdings used for commercial purposes or not held and occupied by the legal entity providing the religious instruction/faith-based services
  - RSL Gaming/Gaming venues on Crown land
  - Mining
  - Crown Land used for commercial purposes
5. There also needs to be greater focus on reviewing road and bridge infrastructure responsibilities split between Councils and the State Government's Road Authority, Vic Roads, or the creation of a specific Small Rural/Regional Funding Program to assist with these ongoing infrastructure maintenance costs.
6. The ability for Councils to apply Differential Rates should not be restricted, as they can be a useful tool for Councils to address equity issues. However differential rates are just that – a useful tool – they should not be viewed as a panacea for Councils to address fundamental equity issues within and across property sectors.  
Councils are unable to 'forensically' assess factors like affordability and financial capacity both between and within property sectors. Wellington Shire Council, for example, has historically offered a 20% differential for farming properties. However, there is little 'science' or evidence-based approach to support this. Within our diverse agricultural sector, we have irrigated vs

dryland properties, intensive horticulture vs cropping, and a multitude of farming activities of different scale. It is simply impossible to assess affordability and capacity across such a diverse sector.

In a nutshell, differentials should be retained as a tool available to Councils to deploy. They should not be subject to further restrictions or prescriptions, and they are certainly not to be viewed as a solution to address equity and fairness.

7. There also needs to be a much clearer understanding of the Victorian Rates system for all ratepayers via the following:
  - Splitting Valuation and Rates Notices – this allows ratepayers to easily review their annual valuations and provides them with a clear option and timeline to object to the valuation of their property if they so desire before they receive their rates notice. It also means that Councils would benefit from earlier Valuation returns from the Valuer General.
  - Standardising Rates Notices – so that they clearly detail what Council charges in rates and also what is being collected for other levels of government via the Council's rating system i.e. Fire Services Property Levy, EPA Levy etc.
  - Further education for ratepayers via the "Know Your Council" Website:
    - detailing clearly other charges in the rate notices - what Council charges in rates and what is being collected for other levels of government i.e. Fire Property Services Levy, EPA Levy etc.
    - adding further information so that ratepayers can clearly compare, fees and charges raised from parking fines.
    - Comparisons of grant funding received for capital projects.
    - Comparative operating costs across Councils for example ICT infrastructure implementation and ongoing costs.
  - Change the way that Council's quarterly and annual financial statements are required to be reported so that both ratepayers and the media can easily understand the difference between grant money received, which must be reported as income immediately even though it has already been allocated to a capital project that may not be completed in that financial year, versus Council's true operating surplus

**OBJECTIVE**

To report on all assembly of Councillor records received for the period 30 October 2019 to 13 November 2019.

**PUBLIC QUESTIONS AND COMMENTS FROM THE GALLERY****RECOMMENDATION**

*That Council note and receive the attached Assembly of Councillor records for the period 30 October 2019 to 13 November 2019.*

**BACKGROUND**

Section 80A of the *Local Government Act 1989* requires a written record be kept of all assemblies of Councillors, stating the names of all Councillors and Council staff attending, the matters considered, and any conflict of interest disclosures made by a Councillor. These records must be reported, as soon as practicable, at an ordinary meeting of the Council and recorded in the minutes.

**OPTIONS**

Council has the following options:

1. Note and receive the attached assembly of Councillors records; or
2. Not receive the attached assembly of Councillors records.

**PROPOSAL**

That Council note and receive the attached assembly of Councillors records during the period 30 October 2019 to 13 November 2019.

**CONFLICT OF INTEREST**

No staff and/or contractors involved in the compilation of this report have declared a Conflict of Interest.

## **LEGISLATIVE IMPACT**

The reporting of written records of assemblies of Councillors to the Council in the prescribed format complies with Section 80A of the *Local Government Act 1989*.

## **COUNCIL PLAN IMPACT**

The Council Plan 2017-21 Theme 6 Organisational states the following strategic objective and related strategy:

### Strategic Objective 6.3

*"Maintain a well governed, transparent, high performing, ethical and accountable organisation."*

### Strategy 6.3.3

*"Ensure sound governance processes that result in responsive, ethical, transparent and accountable decision making."*

This report supports the above Council Plan strategic objective and strategy.

**OBJECTIVE**

To provide a report to Council on recent planning permit trends and planning decisions made under delegation by Statutory Planners during the month of September 2019.

**PUBLIC QUESTIONS AND COMMENTS FROM THE GALLERY****RECOMMENDATION**

***That Council note the report on recent Planning Permit trends and Planning Application determinations between 1 September and 30 September 2019.***

**BACKGROUND**

Statutory Planners have delegated authority under the *Planning and Environment Act 1987* to make planning decisions in accordance with the *Planning and Environment Act 1987* and the Wellington Planning Scheme, including the issue of planning permits, amended permits, extensions of time, refusal of planning permits and notices of decision to grant a planning permit.

A copy of planning permit decisions made between 1 September and 30 September 2019 is included in Attachment 1.

Attachment 2 provides an overview of recent planning permit trends including decisions made, efficiency of decision making and the estimated value of approved development (derived from monthly planning permit activity reporting data).

**OPTIONS**

Council has the following options:

1. Note this report; or
2. Seek further information and refer this report to another meeting.

## **PROPOSAL**

That Council note the report of recent planning permit trends and planning application determinations between 1 September and 30 September 2019.

## **CONFLICT OF INTEREST**

No staff and/or contractors involved in the compilation of this report have declared a conflict of interest.

## **COMMUNICATION IMPACT**

The monthly report communicates information about planning trends and determinations including the issue of planning permits, amended permits, refusal of planning permits, and notices of decision to grant a planning permit.

## **LEGISLATIVE IMPACT**

All planning decisions have been processed and issued in accordance with the *Planning and Environment Act 1987* and the Wellington Planning Scheme.

## **COUNCIL POLICY IMPACT**

All planning decisions have been issued after due consideration of relevant Council policy, including Council's Heritage Policy, and the requirements of the Planning Policy Framework in the Wellington Planning Scheme.

## **COUNCIL PLAN**

The Council Plan 2017–2021 Theme 2: Services and Infrastructure states the following strategic objective and related strategy:

### Strategic Objective 2.3

*'Wellington Shire is well planned, considering long term growth and sustainability.'*

### Strategy 2.3.3

*'Recognise and advocate for best practice land development which considers energy efficiency and sustainability for housing.'*

This Report supports the above Council Plan strategic objective and strategy.

## **ENVIRONMENTAL IMPACT**

Planning decisions are made in accordance with the relevant environmental standards to ensure that environmental impacts are minimised.

**OBJECTIVE**

The objective of this report is to seek Council authorisation to progress the sale of Council land described as Lot 21 Williams Drive, Fulham at West Sale Airport (WSA) (refer Figure 1).

**PUBLIC QUESTIONS AND COMMENTS FROM THE GALLERY****RECOMMENDATION***That;*

- 1. Council authorise the Chief Executive Officer to offer for lease and then sale Council Land described as Lot 21, Williams Drive, Fulham at West Sale Airport;**
- 2. Council advertise its intention to lease and sell land at West Sale Airport with the sale of land being at or above market value, subject to the provisions of the Local Government Act 1989 sections 189, 190 and 223, including calling for submissions in relation to the proposed sale;**
- 3. Subject to not receiving any submissions, Council authorise the Chief Executive Officer to progress the sale at or above the current market value including executing necessary documents; and**
- 4. The information contained in the Confidential Attachment at Item F1.1 and designated under Section 77 Clause (2)(c) of the Local Government Act 1989 as confidential by the General Manager Development on 12 November 2019 because it relates to the following grounds under Section 89(2) of the Local Government Act 1989: h) any other matter which the Council or special committee considers would prejudice the Council or any person be designated confidential information under Section 77 Clause (2)(b) of the Local Government Act 1989.**

**BACKGROUND**

An established business has confirmed its intention to relocate to West Sale Airport. The business is currently metropolitan based and manufactures and services equipment used in a range of applications including on defence bases and within the hospitality sector. The attraction of relocation to West Sale Airport is a logistics benefit in proximity to air freight transport. The business would generate additional employment of two to three staff with potential to grow.

It is proposed that a lease be established with the ability to then purchase the freehold title. A process to subdivide the land is required to create an individual lot and separate title. The lease is anticipated to allow the business to establish whilst the subdivision process is completed.

The development is subject to satisfying statutory requirements as detailed within this report.

The arrangement was discussed during a Development Division Council Workshop update on 17 September 2019. The overall development of land within the eastern precinct was also subject to a Council Workshop on 15 October 2019.

The Confidential Attachments provide further detail regarding land valuation, lease arrangements, the sales process and a copy of the signed Heads of Agreement.

Figure 1 – Lot 21 Williams Drive, West Sale Airport, Fulham.

## OPTIONS

The following options are available to Council:

1. Progress a lease to purchase sale; or
2. Not progress.

## **PROPOSAL**

That;

1. Council authorise the Chief Executive Officer to offer for lease and then sale Council Land described as Lot 21, Williams Drive, Fulham at West Sale Airport;
2. Council advertise its intention to lease and sell land at West Sale Airport with the sale of land being at or above market value, subject to the provisions of the Local Government Act 1989 sections 189, 190 and 223, including calling for submissions in relation to the proposed sale;

No staff and/or contractors involved in the compilation of this report have declared a Conflict of Interest.

## **FINANCIAL IMPACT**

This report recommends the lease and subsequent subdivision and sale of land, with the sale of land being at or above market value. Costs would be incurred to implement this report's recommendations including for works to allow the land to be subdivided.

## **COMMUNICATION IMPACT**

In accordance with the *Local Government Act 1989* (Vic) Council is required to consider submissions in the event submissions are received.

## **LEGISLATIVE IMPACT**

All transactions progressed as a result of the recommendations of this report must comply with the requirements of the *Local Government Act 1989* (Vic) (the Act). Sections 189, 190 and 223 of the Act obligates Council to provide public notice of the proposal, and to give consideration to any submissions received. A further Council report would be completed following the receipt of any public submissions. This report would be to consider submissions and to seek a further resolution in relation to this matter.

Land valuations must also be obtained within six months of the sale. Council has a valuation current as of 9 October 2019. An updated valuation would be obtained in the event a period greater than six months elapses until the transfer of land is completed.

## **COUNCIL POLICY IMPACT**

Wellington Shire Council's Policy for the Sale, Exchange and Acquisition of Land accords with best practice guidelines from the Department of Planning and Community Development. It states that transactions should be in the best interests of the community and provide the best result (financial and non-financial) for Council and the community.

**OBJECTIVE**

For Council to note the information regarding applications received under the Quick Response Grant Scheme (QRGS) for the period July to October 2019 as at Attachment A.

**PUBLIC QUESTIONS AND COMMENTS FROM THE GALLERY****RECOMMENDATION**

***That Council note the information regarding applications received under the Quick Response Grant Scheme for the period July 2019 to October 2019 as at Attachment A.***

**BACKGROUND**

The QRGS aims to fulfil community need by providing a quick turnaround for funding and provides an opportunity for the community to access funding outside the community grants timeline. The QRGS supports the delivery of projects that demonstrate positive impacts on the wider Wellington community. Eligible projects submitted under this program are assessed within two weeks.

Individuals can apply for a Quick Response Grant (QRG) of up to \$500 under the Individual Sponsorship category. Not-for-profit community groups operating in Wellington Shire can apply for up to \$2,000 from the three minor community funding categories (Events, Projects and Facilities).

Applications included in this Council report were assessed between July 2019 and October 2019.

Applications are assessed by an internal assessment panel. Each application is assessed on its benefit to the community, ability to fulfil a community need, project planning and the capacity of the applicant to deliver the project. The panel allocates funding based on assessment criteria and funding guidelines.

In 2019/20, Council is trialling allocation of Community Newsletter Contribution Grants through the QRGS process. Newsletter grants have been allocated by Council for over 10 years and provide financial support for communities wanting to establish or maintain a community newsletter.

## OPTIONS

Council has the following options:

1. Note the information regarding applications received under the Quick Response Grant Scheme (QRGS) for the period July to October 2019 as at Attachment A; or
2. Seek further information to be considered at a future Council Meeting.

## PROPOSAL

That Council receive the information regarding applications received under the Quick Response Grant Scheme (QRGS) for the period July to October 2019 as at Attachment A.

## CONFLICT OF INTEREST

No staff and/or contractors involved in the compilation of this report have declared a conflict of interest.

## FINANCIAL IMPACT

These applications have been funded through the QRGS within the Community Wellbeing budget. The total available budget for the 2019/2020 QRGS is \$130,000. A total of \$53,421.25 has been allocated to successful applications for the period July 2019 to October 2019.

The table below is a summary of the funding allocation, detailed list at Attachment A.

<b>Applications received and assessed</b>	
• Minor Community Events	12 totalling \$21,850.00
• Minor Community Projects	9 totalling \$13,445.32
• Minor Community Facilities	7 totalling \$21,425.93
• Individual Sponsorship	15 totalling \$7,500.00
<b>Successful Applications</b>	
• Minor Community Events	10 totalling \$17,2000.00
• Minor Community Projects*	9 totalling \$13,445.32
• Minor Community Facilities	6 totalling \$10,425.93
• Individual Sponsorship	15 totalling \$6,900
<b>Unsuccessful Applications</b>	
• Minor Community Events	2 totalling \$3,150.00
• Minor Community Projects	Nil
• Minor Community Facilities	1 totalling \$2,00.00
• Individual Sponsorship	Nil

\* reduced funding allocated to 3 x Individual Sponsorship

## **COMMUNICATION IMPACT**

The funding of these grants facilitates positive community relationships for Wellington Shire Council, highlighting Council's commitment to supporting not-for-profit community organisations in the delivery of their activities, projects and events that benefit the wider community.

## **COUNCIL PLAN IMPACT**

The Council Plan 2017-21 Theme 1 Communities states the following strategic objective and related strategy:

### Strategic Objective 1.2

*Celebrate, recognise and acknowledge our diverse community and improve social connections among youth, aboriginal and aged communities.*

### Strategy 1.2.1

*Ensure that Council services, facilities and events promote inclusivity, social connectedness and accessibility.*

## **COMMUNITY IMPACT**

The funding of these grants will have a significant positive effect on the community, providing assistance to increase the range of events and activities that the wider Wellington community can access. Successful applicants have demonstrated a community need that will be filled through receiving the funding and show a community benefit through project outcomes.

## **ENVIRONMENTAL IMPACT**

All events and projects are encouraged to consider the waste that will be produced through delivering their grant outcomes and have appropriate measures in place to manage waste. Assistance from Council is offered to all events to minimise landfill waste through the use of recycle bins.

## **ENGAGEMENT IMPACT**

Council officers were involved in consultation with grant applicants to provide advice and assistance in the completion of event grant applications.

## **RISK MANAGEMENT IMPACT**

The events industry is strongly legislated, and all events are encouraged to comply with current OH&S and best practice safety standards. It is the responsibility of applicants to ensure that their project complies with all current rules and regulations.

**BACKGROUND**

The Briagolong Recreation Reserve Committee of Management is a Special Committee of Council under Section 86 of the *Local Government Act 1989* and operates within the provisions of a Council approved Instrument of Delegation.

The objectives of the Special Committee are:

- To manage, operate and maintain the Briagolong Recreation Reserve for the community in an efficient, effective and practical manner.
- To undertake activities designed to protect, promote, utilise and develop the Briagolong Recreation Reserve for the use and enjoyment of the local community in line with Council policy and relevant Council strategic documents.

- To keep the Council informed on the operations, improvements and advancements of the Briagolong Recreation Reserve by forwarding copies of all minutes of all ordinary and extraordinary meetings and the Annual Report.
- To set, maintain and collect appropriate user charges.
- To ensure that the Briagolong Recreation Reserve's capital assets are adequately maintained.
- To provide advice to Council on matters relating to the Briagolong Recreation Reserve.

As provided under the Committee's Instrument of Delegation the minutes of all meetings are to be presented to Council and highlight the day to day activities being undertaken by the Committee.

Conflict of Interest: It was noted that conflicts of interest were called for at the commencement of the Ordinary Meeting, with no conflicts being declared. Meetings held by the Briagolong Recreation Reserve Committee of Management are open to the public.

## **OPTIONS**

Council has the following options:

1. Receive the minutes from the Briagolong Recreation Reserve Committee of Management's General Meeting held on 14 October 2019; and

## 10. General Business

- Obtain a quote for a power point to be put in the tennis club end, so they can use the original fridge as there is concern that a smaller bar size fridge will not sufficiently fit the platters that are used on a regular basis.
- Question raised on “what is a level 3 standard” regarding ovals. Luke will follow up with Mark Benfield regarding obtaining this information.
- Irrigator sold for \$4000 to Steven Walsh.
- Council has stipulated that official opening with Darren Chester and officials from council on Monday 18<sup>th</sup> November at 10am. Tennis is at home that day and the school has been invited. Catering provided for officials.
- Propose Community Open Day. Sunday 10<sup>th</sup> November afternoon 2pm-5pm. Organize some sausages for a BBQ and invite key past members. Mel to do a flyer and forward to Denis before distributing.
- Discussion surrounding a cleaner. Clean ourselves (maybe on a roster system) or pay a cleaning fee. Relook at next meeting. Take back to our clubs and see what they would like to do before next meeting.
- Pony Club did what independent oval report said to do and after not being able to obtain grants, council have paid costing to repair oval this time only. Refurbishment of Pony Club area was has been bought to the Pony Club meeting where it was received well and they will look at further. Was established that the ultimate goal is to keep horses off the top oval but to keep the Briagolong Pony Club at this reserve.  
LVA would accept an expression of interest from this Rec reserve committee prior to mid-December for Pony Club area upgrade. Pony Club has given this considerable consideration for discussion between Pony Club and a few Rec Reserve members outside of Rec Reserve meetings.
- Can Pony Club have an area to collect horse manure in for collection by community members for free which was not a problem by members.
- Change the combination on the shed and Darren to let committee members know.
- Is a key available in town for if the power goes out and facilities need to be used as swipes will not be usable.
- Denis/ Darren to arrange a gas bottle for Rec Reserve
- Clubs to put a proposal on where they would like their signs and their memorabilia inside for next meeting.
- Vanessa has contacted Rob Christie regarding Bendigo Bank grant for kitchen cupboards. Sounded promising, to apply for the next round of grants which is start of next year. Committee members will meet up to figure out

## Suggested rules of the committee

### Current rule of the committee

- No horses on oval without prior approval of the committee to be amended to no horses on the oval

### New rules of the committee

- Any damage occurring during use of the reserve by clubs or individuals is to be reported to the committee of managed in the first instance
- The committee may deem the club responsible to make-good damage not deemed 'normal wear and tear'
- Each club is to renew their user agreement for *normal* club activities annually prior to commencement of their normal season by lodgement of the nominated form. Clubs operating annually are to nominate a month when their user agreement is to be renewed.
- Normal activities are those directly related to club 'competitions'
- Activities such as presentation nights, fundraising events, social occasions and the like, not directly related to 'competing' are classed as *special* activities.
- Initial notification of intended dates for special activities is via the committee of management meetings, with logistical and operational arrangements occurring at club level.
- User agreement lodgement is to be accompanied by a copy of a current public liability insurance policy
- The Meeting Room is not deemed for club *normal* use and is reserved for committee and club meetings. Occasional use of this room in circumstances deemed urgent, such as a medical quiet room, is permitted. The club using the facility during the nominated season is deemed responsible for cleanliness, regardless of authorised or unauthorised use occurring.
- Tennis Club is deemed responsible for cleanliness of their kitchen all year round and the tennis changeroom during the summer season.
- Junior Football Club is deemed responsible for cleanliness of the whole facility, excluding the Tennis Club kitchen, during their nominated season. During this time Junior Football shall 'utilise' the tennis changeroom for umpires, being responsible for its cleanliness.
- Cricket Club is deemed responsible for cleanliness of the whole facility, excluding the Tennis Club kitchen and tennis changeroom, during their nominated season.
- Pony Club will be considered 'users' of the Social Room and Kitchen only, being responsible for cleanliness.
- Pony Club initial notification of intended use dates is via the committee of management meetings, with logistical and operational arrangements occurring by notification to the Junior Football Club or Cricket Club to allow for agreement on social room set-up/pack-up and cleanliness.

- The committee of management will inspect the facility monthly at the commencement of the committee meeting and make recommendations to the club representatives for rectification before the following months meeting
- Usage of utility services or consumables deemed excessive by the committee of management as a result of irresponsible club user, whether intentional or not, may have the cost recoupable to the committee of management from the club.

## E. FURTHER GALLERY AND CHAT ROOM COMMENTS

*Gallery comments are an opportunity for members of the public to raise any particular matter they wish. This allows those in the gallery to speak directly to councillors but is not a forum designed for open discussion or debate. We will listen respectfully to what you have to say and make the commitment that the Mayor will respond to you in writing within one week if required, and a copy of that response will be circulated to all councillors.*

*This is not a forum for members of the public to lodge complaints against individuals, including councillors and staff, particularly as that individual gets no public right of reply to any matter raised. We take complaints seriously, and in line with the guidance from the Victorian Ombudsman and the local Government Inspectorate, we request that any specific complaint against an individual be put in writing. This way, your concern can be properly dealt with while ensuring fairness to all parties concerned.*

*If you wish to speak, we remind you that this part of the meeting is being recorded and broadcast on our website. Council's official Minutes will record that you have spoken to Council and the subject you spoke to Council about but will not record specific comments. We ask you to state your name in full, where you are from, and you have three minutes.*
