

Certificate of Barrier Compliance Inspection Request Form

New laws introduced by the Victorian Government require property owners to register their swimming pool and spa with their local Council and lodge a Form 23 Certificate of Pool/Spa Barrier Compliance (CBC) every 4 years. Property owners are required to have the safety barriers of the swimming pool and/or spa inspected by a registered building surveyor or inspector to obtain a CBC and then lodge that CBC with Council within 30 days of issue, and by the date specified by Council. If a safety barrier is deemed to be non-compliant, it is the property owner's responsibility to make the barrier compliant. Property owners can choose a registered practitioner of their choice. If you wish to engage Council to carry out a pool or spa barrier inspection for compliance, please continue with this form.

Further information regarding swimming pool/spa registration and compliance can be found on our website at www.wellington.vic.gov.au/poolrego or on the Building & Plumbing Commission website www.bpc.vic.gov.au/home-owners/home-renovation-and-building-essentials/swimming-pools-and-spas.
