

Pool/Spa Barrier Inspection Contacts List

The following list is provided for information only and is not a recommendation by Council. It is the landowner's responsibility to engage a registered building surveyor, building inspector or pool safety inspector for the purpose of obtaining a Form 23 Certificate of pool/spa barrier compliance (CBC) and to lodge the CBC to Council by the due date and within 30 days of issue. Please note there is a certificate lodgement fee payable to Council by the owner (currently \$23.20). Inspector fees may vary and may charge additional fees if additional inspections are required.
